

The Musée des Moulages of Saint-Louis hospital contains the largest collection of dermatological waxes in the world and is the only Parisian hospital museum visible today in its original state. Water infiltrations in the roof of the museum threaten the collections of waxes classified as historical monuments. Substantial work is to be put in place to protect this unique place.

I WANT TO SUPPORT THE PRESERVATION OF  
THE "MUSEE DES MOULAGES" OF SAINT-LOUIS HOSPITAL

Mr.  Mrs  Mrs and Mr

Company: \_\_\_\_\_  
Last name: \_\_\_\_\_ First name: \_\_\_\_\_
